

BLOSSOMING BUTTERFLIES

April 2015 Newsletter

Welcome back to term 3, Term 2 was full of interesting happenings and activities; enjoyed greatly by all our children. This term is also full of exciting topics and activities. We welcome our new friends Zeenat and Saniya.

In April our topic was food (Fruits, vegetables, dairy products). The children spent their time making crafts, based on fruits and vegetables.

We all participated in Easter, decorating eggs and taking part in an Easter egg hunt which we all loved.

Coming up in month of May we will be looking at our new topic, 'PEOPLE WHO HELP US'.

Lots of Love

Ms. Rehna and Ms. Cherry
