

The Giggling Giraffes

June Newsletter

Theme of the Month Moving On

Moving House

We've been talking about packing and moving house! First we read a really nice story about it, then we realized how many things there are inside the house and how much hard work to get them all organized! They wanted to pack everything, even their doggie!

Travelling

Our Little Giraffes have travelled by plane, by metro, by bus and by taxi. We have discussed all these and we have manufactured yellow taxis and choo-choo trains! We shared our experiences and enjoyed a book on extraordinary journeys!

We were at the beach, better said, the beach came to us. We got to play in the sand, even if indoors, but alongside our friends in the nursery. It's much more fun!

We Really Had a Good Time!

We hope that you enjoy your Summer Holidays for those returning we look forward to seeing you in September and for those moving on we wish you all the best in your future endeavours.
