

MARCH 2015 BLOSSOMING BUTTERFLIES NEWSLETTER

We are almost end of our spring term, month of March the most noticeable was their enthusiasm when they had their trip to the Dubai aquarium. They were able to roam around and had fun watching, while the instructor were explained them in relevant things about each kind of fish. It was really memorable one.

We also celebrated Book character day on March 5th and also celebrated UAE mother's day on March 19 and each member of the class prepared a card for their mums. We also done big event role-play MIXED UP CHAMELEON on March 31. All the children enjoyed the role-play along with that all children sing the song and do the action together.

In brief during April topic would be

Theme-Foods (Fruits, vegetables, diary products)

Warm regards,
Miss Rehna and Miss Cherry
