

NEWSLETTER NOVEMBER 2014

BLOSSOMING BUTTERFLIES

Dear Blossoming Butterflies Parents

In the month of November the children of the Blossoming Butterflies class enjoyed their time in the nursery both indoors and outdoors. With updates on children's progress via the Parent Teacher Consultations for most of our parents it was the first time that they learnt about how their child was progressing. A fruitful experience for all!!

Pink Pepper Photography were also in at the beginning of the month with children dressed in their best clothes and posing for pictures. Those who ordered will be receiving their photos by the end of this academic term.

At the moment as the weather is nice we spend a lot of time outside encouraging children with their gross motor skill development. Standing, balancing, crawling and sometimes running!!

We have all been practising for our UAE National Day and Winter Fair Celebrations which will be on Tuesday the 2nd of December we look forward to seeing you all there.

Looking Forward to another exciting month

Miss Rehna & Miss Cherry
