

The Eager Elephants

November Newsletter FS-1 Term 1

Hello Dear Parents!

The month of November has been really busy for us! We made good progress on numbers, shapes and lines and we really enjoyed improving our fine motor skills and shaping our marks as much as possible! We enjoyed French and Arabic classes and also our weekly sport sessions of Football and Gymnastics. We have seriously prepared for The 2nd of December UAE National Day and for our Winter Fair. And we hope you will appreciate our efforts!!

Theme of the Month: On the Farm

In November we went Farming! We found out about Farm Machinery, quite new stuff for us, ways we harvest the crops and the products we get from Farms. It was interesting to find out how many products we get from Farm Animals !! Hope one day we visit a farm!

We want to say Welcome Back ! to Adam who joined us this month and whose company we really enjoy :D

**Warm Hugs,
Miss Victoria and Miss Juliet**
