

The Giggling Giraffes November 2014 Newsletter

Dear Parents

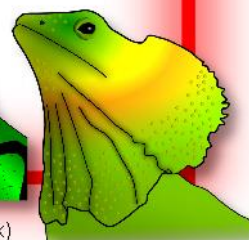

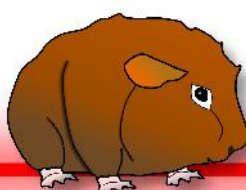

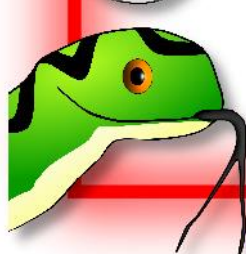

This month we celebrated Najeeb and Karen's 3rd Birthday's. A BIG Happy Birthday to you both from all of your friends.

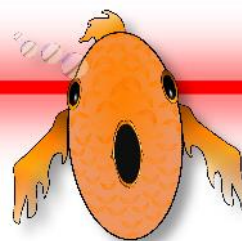

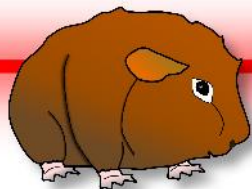

This month our theme of the month was on the Farm

We travelled over our virtual farm and got acquainted with the farmer and his wife. Now we know that they have a lot of work to do every day! Now we know where milk and wool come from. How to make bread and chocolate!!! There were a lot of animals on the farm! We listened to many interesting stories about them! And the song "Old Macdonald had a farm" was a great hit!!!

We created many interesting activities like a sown with fruit and vegetables, a footprint tractor all of which the children loved doing.

Every week we learn more new words and letters! Also we played games dealing with numbers. It's such fun!

We also play outside building sand castles, make letters, numbers and shapes with play dough and running, jumping skipping and hopping!!

In Our Role play Area:

In November we played as librarians and readers. We were at the circus full of clowns, acrobats, jugglers and animals!!! And in the Toy Museum we saw many different toys: modern and old!

We also made presents for our families for UAE National Day and the Winter Fair which we will celebrate on December 2nd. Now we can count up to 10 not only in English, but also in French and Arabic.

We also want to say a BIG welcome to our new friend Omar! We hope Omar will enjoy to be part of our Little Pandas family!!!

Warm hugs

Ms Anna and Ms Mylene
