October 2014 Newsletter

FS-1 Term 1

Hello again from your Eager Little Elephants!

We are continuing our learning journey and try to find as much from books, our main fountain of creativity and imagination.

On the 2nd of October we celebrated Hajj - the annual pilgrimage of the Muslims to Mecca and on the 15th of October we all wore pink as a sing of love, respect and solidarity with all the mums in the world whom we cherish and love so much. We enjoyed it so much and we hope we do the same next year also!

We continue to do our best in mastering the pencils! We trace shapes, lines and numbers up to 4. We are getting better at it each day, we just need practice and encouragement! And a little homework by the end of the week :D !

Some of us are doing sport! Wow, that is refreshing, just see bellow!
