

Blossoming Butterflies September 2014 Newsletter

Dear Parents

We are almost at the end of summer with our new academic term having started we are all looking forward to spring. We have seen our babies growing and developing constantly learning new skills. We welcome back Alaa, Arya and Gibran as well as looking forward to seeing Aariz who joins us in October.

In the Blossoming Butterflies, we kept ourselves busy in the month of September

- For the physical, psychological and emotional development of children
- Communicating in the variety of ways making sounds with their voices and creating personal words as they begin to develop language
- Showing interest in toys with buttons and flaps and simple mechanisms. Beginning to learn to operate these toys.
- Enjoying music and beginning to move to music, listen to and join in with rhymes and songs.
- Moving their whole bodies to sounds and enjoying learning new actions that surprise us as well as themselves!!

During October we will continue doing more of the same but with a specific focus on colour. Please Note the dates below:

Thursday the 2nd of October 'Red Day' please dress your child in red.

Thursday the 9th of October 'Green Day' please dress your child in green.

Thursday the 16th of October we will have 'Blue day' please dress your child in blue.

Thursday the 23rd of October we will have 'White Day' please dress your child in white

Thursday the 30th of October we will have 'Yellow day' please dress your child in yellow.

Warm regards

Miss Rehna and Miss Cherry
